

MRWPCA

TOUR SAFETY AND RESPONSIBILITIES

FOR ALL TOUR GROUPS:

MRWPCA has a beautiful facility and we are extremely proud to welcome visitors. We do want to remind everyone, however, that we are an industrial site and safety at all times is our primary concern. Therefore, we ask all visitors to abide by these minimum guidelines during your visit:

- **No eating or drinking**
- **No climbing on railings or equipment**
- **Stay on designated tour route with guide**
- **Wash hands after tour**

TOUR GUIDES:

Our tour guides are knowledgeable about the treatment plant, recycling plant, and the processes involved. They will do their best to accommodate the special interests of each individual/age group and tour you through those areas. To better serve large groups, they may be divided into smaller groups with their own tour guide.

Please inform your guide, when you arrive, of any special needs that you may have.

FOR TOURS WITH CHILDREN

- Children age 7 (grade 2) and younger are allowed at the administrative areas of the Regional Treatment Plant (RTP) ONLY.
 - one adult is required for every five (5) children
- Children age 8 – 11 (grades 3-6) may be permitted in the administration areas and the recycled water project (SVRP) areas of the facility) ONLY.
 - one adult is required for every five (5) children
- Children age 12 – 17 (grades 7-12) may be permitted to tour the entire facility (RTP and SVRP).
 - one adult is required for every ten (10) children

To ensure a safe and enjoyable tour, all adults accompanying children are asked to assist in keeping their particular tour group together. There should always be at least one adult in the middle and one adult at the end of the group. In the event that any student becomes disruptive to the tour, the tour guide will request an accompanying adult to remove that student from the tour. MRWPCA reserves the right to decline any tour group that arrives without the required number of adults. All children 17 years of age and younger will need to have this acknowledgement form signed and submitted prior to the scheduled tour date.

The MRWPCA is not responsible for the safety of guests that do not follow these guidelines.

I have read and do accept the Safety and Responsibilities stated above.
